WINTER SAFETY TIPS

- Let someone know where you are going and when you plan to return. Stick to your plan.
- Do not travel alone.
- Always carry basic emergency and survival equipment.
- Winter storms can set in rapidly. Watch the weather.
- Avoid traveling on lakes. Be cautious of thin ice.
- When traveling off groomed routes be prepared for extreme weather and travel emergencies. Wear adequate winter clothing, protective glasses or goggles and sunscreen.

AVALANCHE HAZARDS

- Travel on the windblown side of ridges. Avoid cornices.
- Avoid mountainous terrain, especially after heavy snowfalls or periods of high wind or rain.
- Avoid crossing steep side hills and entering narrow canyons. Be cautious of thin ice.
- DO NOT travel in a storm. If visibility is reduced, follow your tracks back out. If caught in a white out, stay put until conditions improve.
